## Retraction

---

The article “Long Non-Coding RNA HOXA-AS2Regulates Malignant Glioma Behaviors and Vasculogenic Mimicry Formation via the MiR-373/EGFR Axis’ [Cellular Physiology and Biochemistry (2018) 45 (1): 131–147. <https://doi.org/10.1159/000486253>] by Yana Gao, Hai Yu, Yunhui Liu, Xiaobai Liu, Jian Zheng, Jun Ma, Wei Gong, Jiajia Chen, Lini Zhao, YuTian and Yixue Xue has been retracted by the current and former Publishers and the Editor on behalf of the authors.

After the publication of this article, concerns were raised about the integrity of some of the data presented. Specifically, partial duplication of images within Figure 3E was observed. When asked to comment on the above the first author stated that they can not address the concerns raised and requested retraction of the article. As the concerns raised about the figures can not be addressed, the article has been retracted.
